

HOSA JUMP Competitive Events at a Glance 2016-17 Version
*******Please be advised that Cal-HOSA does not do all events that National HOSA does for Middle School students.**

Students can participate in **one event** in **Health Science**, **one event** in **Leadership**, and **one event** in **Teamwork** events. All tests will be done online prior to the **State Leadership Conference**

Health Science Events

Medical Math - Competitors take a written math test based on medical situations. The metric system is part of the test. **Online**

Medical Terminology - Competitors take a written test identifying terms as related to the occupation. **Online**

Leadership Events:

Prepared Speech - Competitors develop and present a five-minute speech related to the **2016-2017 Topic: Leadership - Service - Engagement**

Teamwork Events

Health Career Display - A team of 2 competitors develop a visual display of a specific career or cluster of careers in health. They will be judged on their ability to present themselves and communicate the career information to others.

Health Education - A team of 2-4 members select a health-related concept or instructional objective, then prepare a lesson, provide instruction, and evaluate results.
