Campaign Questions and Eligibility

Questions regarding campaign procedures or candidate eligibility may be directed to Cal-HOSA Headquarters at headquarters.calhosa@gmail.com. Questions about serving as a state officer may be directed to the current Cal-HOSA state officer team.

Campaign Rules and Tips

It is never too early to start planning. To be successful, please take note of the following rules and tips to help you prepare for the campaign.

Rules

1. Each state officer candidate is allowed a campaign manager to assist in the election and introduction of the candidate during the campaign speech.
2. Campaign speeches will not exceed two (2) minutes. The two (2) minutes may be divided between the campaign manager and the candidate or may be used entirely by the candidate.
3. Campaign posters are encouraged but limited to two (2) posters. No other campaign materials are allowed.

Campaign Speech

1. Campaign speeches should include your qualifications for state office as well as your platform. The candidate platform should include goals, ideas, and initiatives that will advance the mission of Cal-HOSA.
2. Campaign speeches should exhibit a thorough understanding of Cal-HOSA. They should be aimed at what is best for all members of Cal-HOSA not simply the needs of a particular local chapter.
3. Practice, practice, practice! Effective campaign speeches should not be read or delivered impromptu. Do not “wing” the campaign speech. Campaign speeches are the time to inspire delegates and win votes. Be creative. Think of an appropriate theme, slogan, or acronym that helps voting delegates remember you.
4. Deliver with purpose and power. The way the campaign speech is presented is just as important as the words spoken. Use good eye contact. Smile. Use appropriate hand gestures. Speak with conviction and enthusiasm. Vary speaking tone, rate, pace, and volume. Speak clearly and enunciate.
5. Know the issues and the organization. Following the campaign speech, members have the opportunity to ask questions of each of the candidates. Questions will be related to HOSA, leadership experiences, and what you intend to do if elected to state office. To prepare for the questioning, the candidate should practice answering questions with his/her advisor and chapter.
6. Contact a current state officer. The best resource in preparing for the campaign is a current Cal-HOSA state officer. They have been through the campaign experience successfully and will have a wealth of knowledge and good ideas to share.

Chapter Advisor Discussions for State Officer Applicant Meeting

The chapter advisor will schedule a meeting with the state officer applicant and parent/guardian to discuss the roles and responsibilities of a state officer. Below is a list of items for the chapter advisor to review and thoroughly discuss during the meeting.

- Have a frank conversation with the state officer candidate to ensure that they understand the commitment required of state officers. Be sure that they understand that at times they will have to miss sporting events or other personal activities in order to fulfill their state officer responsibilities. Officers must recognize that HOSA conferences, officer trainings and all other HOSA events come before social functions, including athletics and dances.
- Ensure that the state officer applicant intends to remain in school in California during his/her term of service. (Unless he/she is a candidate for national office.)
- Ensure that the state officer applicant understands that being a state officer is a privilege and will require their very best effort. If elected, a state officer will be required to devote several hours each week to his/her state officer responsibilities. The state officer cannot fall behind in his/her duties and responsibilities.
- Talk with the state officer applicant about his/her involvement in other activities such as sports, clubs, work, etc. Be sure the applicant understands the time commitment and is prepared to make HOSA a priority if he/she is elected.
- Discuss the chapter advisor's responsibility for making sure the state officer applicant is well prepared and set up for success for the state officer exam, interview, and speech preparation.
- Be sure the state officer applicant understands that becoming a HOSA state officer is an invaluable experience and will be a great accomplishment to highlight on his/her resume and college applications; being a state officer should also be about his/her passion for HOSA and desire to be a part of making Cal-HOSA great; and it's a real commitment that will require time, effort, initiative, and commitment throughout his/her term of office.
- Review the *State Officer Candidate Guide* with the state officer applicant to get familiar with the rules and guidelines.
- Confirm that all state officer applicant forms have been completed.
- Ensure the state officer applicant has access to internet on a daily bases either at home or through the school. A state officer will need access to e-mail for official communications.
- Set up a plan with the state officer applicant for when he/she is a state officer to keep the chapter advisor updated on his/her projects, upcoming responsibilities, and duties of office.
- Create a time management plan with the state officer applicant for when he/she is a state officer to complete his/her HOSA work each day. State officers should plan to spend about 30 minutes per day (sometimes more) on HOSA work.

State Officer Candidate Agreement

Cal-HOSA Fiscal Responsibility of State Officers

Travel:

Cal-HOSA Headquarters handles the travel arrangements for the state officers. State officers are informed of the travel arrangements via e-mail. Copies of the communications and confirmations are also sent to the advisors. Airline travel is usually ticket-less. Officers must be certain to have photo identification in order to check in. Transportation expenses to and from the airport **are not** covered by Cal-HOSA.

If state officers elect to have a parent or guardian drive, limited mileage **may be** reimbursed at the state rate based on the **least expensive** form of transportation available.

Expenses for chaperones **required by the individual district are the sole responsibility of that district.** These expenses are **NOT covered** in any part by Cal-HOSA.

Lodging:

Cal-HOSA Headquarters handles the lodging for the state officers. State officers do not have to bring money to cover lodging, unless the meeting is not a specific Cal-HOSA function. State officers need to bring money to pay for snacks, personal items, and other incidentals while attending meetings. While most families assume the responsibility for providing money for trips, on occasion advisors may need to assist some state officers in financing their participation in activities/meetings.

Fundraising activities to finance trips, such as the National Leadership Conference, are often conducted by the chapter. The Board of Directors may help to partially fund the state officer's trip.

Meals:

Cal-HOSA Headquarters will make provisions for meals for the state officers during trainings and Cal-HOSA required events.

Officer Uniform:

Cal-HOSA Headquarters handles the purchase of uniforms and two (2) polos and one (1) pair of khaki pants for the state officers. The state officers will purchase their own shoes, other personal clothing items, and travel items. Often chapters assist officers in purchasing shoes or personal items if necessary. Cal-HOSA provides ties for both female and male state officers.

All HOSA Blue uniforms must be returned to Cal-HOSA Headquarters after the state officers term has ended. All clothing returned must be in good condition and recently dry cleaned.

Conference Attendance:

Cal-HOSA Headquarters handles the travel arrangements for the state officers' travel **to and from** the State Leadership Conference (SLC).

Cal-HOSA does **not** pay travel, lodging or registration expenses for attendance at the National Leadership Conference (NLC). The Board of Directors may choose to direct limited funds to cover a portion of National Leadership Conference expenses.

Cal-HOSA Student Code of Conduct

The following conduct policies apply to all state officers and will be in effect for the full duration of their term of office. Official conference and event activities begin when the officer leaves home for the event and ends when they return home, therefore this code is in effect throughout the entire period of time.

“I agree to follow the Cal-HOSA Student Code of Conduct while I am representing Cal-HOSA as a member of the State Executive Council. I will resign my office if I fail to follow this code.”

The following shall be regarded as severe violations of the Cal-HOSA Student Code of Conduct:

Should a conduct code violation occur for item 1 through 7 below, regardless of when exposed, the violating student(s) will be sent home and will not be eligible to attend any other state, regional, or national conference during that school year. If the violation warrants it, law enforcement may also be notified. Determination of penalties for violations will be at the discretion of the Cal-HOSA State Advisor and/or Cal-HOSA Headquarters.

1. **Alcohol, Drugs and Tobacco:** a student shall not possess, use, transmit, be under the influence of, or show evidence of having used an alcoholic beverage, other drugs, substances or tobacco products capable of or intended, purported, or presumed to be capable of altering a student's mood, perception, behavior or judgment; other than properly used, over-the-counter pain relievers and medications prescribed by a physician for an individual student and must be on record with the advisor. 6. **Private Transportation:** The state officer may not drive or ride in a private automobile during a conference, unless accompanied by an authorized advisor (delegates are to be housed at the conference site). Occasionally a chapter advisor, under special circumstances, may allow a student to drive or ride in a private automobile to a conference. These students are required to submit a completed "Permission to use Private Transportation" form to the chapter advisor prior to the conference. Permission to drive/ride applies to transportation of the student named on the form and only to and from the conference site. Once a driving/riding delegate has arrived at the conference site, he/she shall not be in a private automobile again until leaving the site at the end of the conference.
7. **Abusive Behavior and Lewd Conduct:** A student shall not engage in any lewd, indecent, sexual, or obscene act or expression or possess such materials. A student shall not engage in verbal, physical or sexual harassment, hazing, or name-calling. Note: Depending on the infraction, local law enforcement may be notified.

The following shall be other violations of the Cal-HOSA Student Code of Conduct:

Should a conduct code violation occur for items 8-12 below, regardless of when exposed, the violating student(s) may be sent home and may not be eligible to attend any other state, regional or national conference during that school year. Determination of penalties for violations will be at the discretion of the Cal-HOSA State Advisor, State Officer Coach, and Cal-HOSA Headquarters.

1. **Conference Conduct:** Failing to wear the supplied conference ID badge and wristband (when provided) at all times from arrival at the conference until departure at the end of the conference; leaving sessions prior to their conclusion (except in the case of emergency); failing to attend all general sessions and assigned activities (including workshops, competitive events, committee meetings, etc.) for which a delegate is registered (unless engaged in a specific assignment taking place at the same time); not abiding by the rules and regulations of HOSA or school/district policies from the time he/she leaves his/her home or school for any activity and the time he/she returns to the same home or school following the activity.

2. **Curfew:** Failing to be in your assigned hotel room from the curfew time designated in the conference program until 6 a.m.; causing any noise or other disturbance audible by anyone in the hallway after designated curfew time; ordering any food after the designated curfew time; causing any other unnecessary disturbance or participating in any other inappropriate activity after the designated curfew time.
3. **Dress:** Failing to abide by the dress regulations established for the conference, as outlined in the Dress Code.
4. **Personal Conduct:** Failing to report accidents, injuries or illnesses immediately to the local advisor; failing to keep adult advisors informed of activities and whereabouts at all times; failure to comply with established grievance process for disputes about competitive event results/processes (including personally confronting judges or event administrators); using tobacco products outside of local school district policies and state law; having a member of the opposite sex in a room if no adult chaperone is present and the room door is not visibly open (e.g.. the door must be propped wide open); having a delegate or advisor of the opposite sex in a room without a third person present and the door visibly open.
5. **Hotel Conduct:** Failing to meet the professional standards of housing facilities; accruing incidental room charges (i.e. phone calls, room service, pay-per-view movies, etc.) without settling the account prior to check-out; throwing objects out the window or into the hallway; moving hotel furniture from rooms (e.g., onto the balcony); failing to follow hotel rules and regulations.

Individual school district policies if a stricter policy is in place will supersede the student code of conduct.
