You have one minute via YouTube video to introduce yourself and tell us “Why are you applying for this scholarship and how will this scholarship help you?”. The YouTube video may be taped at a location of your choosing and must include only you speaking. Use the one minute however you wish to introduce yourself and to cover the topic.

Applicants may receive instruction in taping, editing and post-production from an outside source, however, the work should be directed by the applicant. The video will be best viewed if it is filmed horizontally; audio clear and recorded at a high-quality volume. Video should only include the applicant speaking into the camera. Videos will be awarded points based on answer to the question and not quality of videography.

This is a chance for the California HOSA Scholarship Committee to get to know you as one of its applicants.
