

Subject: Support and Timeline Adjustments for Competitive Events

Dear Chapter Advisors,

We hope this message finds you safe and well. Our thoughts are with you as we are mindful of the devastating impact the recent fires may have had on your communities. We understand the challenges such events can bring, and we want to assure you that we are here to support you and your students during this time.

To help ensure your students can continue to participate in our Competitive Events (CE), we are making adjustments to our timeline for important dates:

- **Digital Upload Deadline:** Extended to **January 16th**
- **Testing Window:** Still begins on **January 13th**, but will now be extended to **January 24th**
- **Plan is to still post the SLC Qualifiers on Jan 31, 2025**

If further adjustments are necessary, we will keep you updated promptly. In the meantime, please let us know if there are any special circumstances we should consider to better support you and your chapter.

Thank you for your dedication and resilience. We are committed to working together to overcome these challenges and ensure a successful experience for all.
