State Officer Candidate Guide

Be creative. Think of an appropriate theme, slogan, or acronym that helps voting delegates remember you.
8. Be creative and deliver with purpose and power. The way the YouTube video campaign is presented is just as important as the words spoken. Use good eye contact. Smile. Use appropriate hand gestures. Speak with conviction and enthusiasm. Vary speaking tone, rate, pace, and volume. Speak clearly and enunciate.
9. Contact a current state officer. The best resource in preparing for the process is a current Cal-HOSA state officer. They have been through the experience successfully and will have a wealth of knowledge and good ideas to share.
